EPIC 3

Materials:

Powder coated metal and / or brushed brass and glass sphere

Colour options:

white / brass

For additional colour options please contact Areti

Bulb specification:

G9 Halogen max 25W or LED equivalent
 recommended bulb size: diameter 16mm x total length 47mm
 (diameter must be under 20 mm)
 E27 max 60W for the large sphere

230V IP20

Please note:

Mirrored bulbs reflect a lot of heat back to the lamp holder.
 Depending on the space around the lamp holder, the heat might build up above the recommended temperature, especially if the heat is trapped when moving upwards.
 For this reason, the max. wattage indicated does not apply to mirrored bulbs, but to non mirrored bulbs only.
 If mirrored bulbs are desired, only those with a low wattage (such as LEDs) should be used.
 The max. wattage for mirrored bulbs is 5 watt LED (equivalent of 40 watt traditional bulb).
