

La collection ETNIA comprend des chaises et des tables d'appoint. Les sièges proviennent de la combinaison d'une assise aux lignes fluides et aux formes essentielles avec un pied en tige d'acier. Les sièges peuvent être tapissés avec quelconque cuir ou tissus du nuancier INCLASS et en tissus client. En option, la sellerie peut être personnalisée avec des coutures horizontales. La collection est complétée par des tables d'appoint en 2 formats qui existent en plusieurs finitions.

DESIGNER: INCLASS Studio

The INCLASS design studio started its activity in 2005 with the aim of embedding and driving design in different areas of the company. Today the studio is made up of a cross-functional team which incorporates product designers, graphic designers, engineers and prototype technicians. Since then it has undertaken the overall design of numerous products and has developed the proposals of top external designers who usually work with our firm. The studio strives to ensure that INCLASS designs have a contemporary look, that at the same time are balanced, pure, elegant and timeless with a view to introducing collections that are always innovative, attractive and modern.
