

Designed by the INCLASS Studio, the MILLENIUM collection is made up of exclusive ergonomic chairs for executive work spaces or for meetings. The collection features handcrafted upholstery and is characterized by its comfort and striking contemporary and elegant design. The chairs incorporate a synchronized tilting mechanism in the seat and backrest that guarantee optimal comfort. The upholstery is available in three versions: double padding, vertical or horizontal seams. Furthermore, the chairs are manufactured in three different backrest heights. These chairs are available in three different backrest heights and with different kind of armrest.

DESIGNER: INCLASS Studio

The INCLASS design studio started its activity in 2005 with the aim of embedding and driving design in different areas of the company. Today the studio is made up of a cross-functional team which incorporates product designers, graphic designers, engineers and prototype technicians. Since then it has undertaken the overall design of numerous products and has developed the proposals of top external designers who usually work with our firm. The studio strives to ensure that INCLASS designs have a contemporary look, that at the same time are balanced, pure, elegant and timeless with a view to introducing collections that are always innovative, attractive and modern.

BACKREST

The backrest is available in three heights: low, medium and high.

Ergonomic backrest made with an inner steel frame covered with high density and resilience CMHR mould-injected poliurethane foam and polyester wadding.

Upholstery: The backrests can be upholstered in any of the leathers or fabrics of the INCLASS swatch cards and also with fabrics supplied or specified by the customer.

SEAT

Inner wooden seat covered with molded high density and resilience CMHR polyurethane foam and polyester wadding. The seat is height-adjustable via a gas-lift column.

Upholstery: The seats can be upholstered in any of the leathers or fabrics of the INCLASS swatch cards and also with fabrics supplied or specified by the customer.

	Height	Seat height	Arm height	Width	Seat width	Depth	Seat depth	Weight (kg)	Fabric (m)
 MILOOOOSI	136 125	76 65	56 45	74	50	74	45	19,2	1,9
 MILOOO2SI	115 104	76 65	56 45	74	50	74	45	18,2	1,6
 MILOOO4	105 94	76 65	56 45	74	50	74	45	17,2	1,35

MECHANISMS

SINCRO SYOOI: MILLENIUM armchairs can be equipped with a synchro tilt mechanism with side tension adjustment. It has five locking positions with safety unlocking. Seat tilt angle up to 9° and backrest tilt angle up to 22°. It allows the seat height adjustment. The mechanism is made of aluminum and comes finished in black. Optionally, it may include a seat depth adjustment function. It is certified ISO EN 1335.
