BULB SPECIFICATIONS

G9 3.5W LED bulb 330 lm / 2700K

PRODUCT SPECIFICATIONS

Input voltage: 120V / 240V Maximum wattage: 40W per sphere 120V / 240V dimmable LED triac Product weight: 6kg

Please supply required drop length of fixture, measured from the ceiling to bottom fitting at time of order.

Minimum total drop length 735mm. Maximum total drop length 2635mm.

Please allow 25mm tolerance of drop length.

120V version supplied with paintable junction box cover.

CLEANING INSTRUCTIONS

Before cleaning, lighting fixtures must be turned off and unplugged from mains electricity. Whilst cleaning please take care and use the gloves provided.

Satin Brass: Use a Scotch Brite pad and gently rub the pad in the direction of the grain. Repeat until the natural patina is removed. On rubbing the Scotch Brite to the brass, grains will occur. The colour of the product will temporarily get lighter until it re-oxidises.

Satin Nickel: Use a lightly damp soft dust cloth and gently go over marks until clean. Dry it afterwards with a soft dust cloth. Make sure the product is completely dry before switching the electricity on.

Opaline Glass: Remove the opaline glass from the product. Using a lightly damp cloth, clean only the outside of the sphere. Only put the glass sphere back on the product once it is fully dry.

Michael Anastassiades' design philosophy is to preserve the inherent qualities of given materials. All of our products are handmade and come in natural finishes, exposed to the elements without any protective lacquers. We look at oxidisation as part of a process that adds to the patina of an object, increasing beauty with time. We try our best for all goods to leave our premises in prisine condition, but sometimes products may arrive with minor oxidisation marks. Whilst every effort is made to ensure an accurate representation of product colours, finishes and dimensions, Michael Anastasiades Ltd reserves the right to alter these details without notice, in compliance with its own production needs, technological changes or in response to the current market needs. Colour swatches are for reference only, Michael Anastasiades Ltd cannot guarantee exact colour match for any product finishes. All designs are protected under copyright law. Michael Anastasiades Ltd cannot guarantee exact colour match for any product finishes.
