XEQUER B**XEQUER COLLECTION***designed by Martino Gamper*

Multiple planes of brilliant checkerboards clash and crackle in [Martino Gamper's](#) Xequer collection for cc-tapis. The bright, piercing colors intertwine and overlap in a psychedelic world born from Gamper's imagination. Hand knotted with Himalayan wool, pure silk and linen, the materials interplay in the same way as the colour-blocked grids, resulting in a brilliant collision of textures and shades. Twisted lines, distorted perspectives and the graphics play typical of Gamper's designs culminate in five spellbinding new rugs.
