

Milos planter

by Jean-Marie Massaud

The Milos collection is the fruit of **Vondom's first collaboration with French designer Jean-Marie Massaud**. An example of how simplicity and functionality can be combined to create an elegant and comfortable outdoor furniture collection. Characterised by soft curves, this collection focuses on comfort.

Info

Description

The planters in the Milos collection, designed by the acclaimed designer Jean-Marie Massaud, are made of polyethylene using the rotational moulding technique,

which guarantees exceptional strength and durability that is perfectly suited to the outdoor environment.
